Funeral of His Honour David Onley

Fellow Rangers,

We have been asked by Queen's Park to provide a list of former Rangers to invite to the funeral of His Honour David Onley, the former Lieutenant Governor and our first Colonel of the Regiment.

The funeral is expected to be held sometime next week. We do not know the date, time or venue. We will communicate the details when known, but they will likely be announced broadly in the media.

If you would like to receive an invitation and can commit to your attending, despite your not knowing the details, please let me know not later than by noon on Friday 20 Jan 23. Provide: name, rank, address, phone number and email.

Please note that your reply will not guarantee an invitation. The participation of serving Rangers will be strictly managed by the Commanding Officer. We will submit names to Queen's Park who will issue invitations at their discretion (I believe on Saturday). If you do not receive an invitation from Queen's Park, do not contact us. We will not be able to follow up with Queen's Park or with you.

Sadly,

Donald
Chair of the Regimental Council
